

Sharp AQUOS 80" Class LED LCD HDTV: LC-80LE632U

Sharp's new AQUOS 80" Class LED LCD HDTV is the largest LCD TV currently on the market. Sharp is redefining the term 'big screen TV' and delivering more than double the screen area of 55" screen size class TVs (the current top selling 50-inch+ screen size class).

Smart TV

- Delivers Netflix®, CinemaNow® and VUDU™ streaming video
- Customized Internet content
- Live Customer support via Sharp's exclusive AQUOS Advantage LiveSM service offering an unprecedented level of support through Internet connectivity
- Built-in WiFi

Full HD 1080p X-Gen LCD Panel

- Includes 10-bit processing which is designed with advanced pixel control to minimize light leakage and wider aperture to let more light through

Full Array LED Backlight System

- Provides uniformity in color and brightness from edge to edge, corner to corner

Vyper Drive

- A game mode that eliminates perceptible lag between video game consoles and the TV display

Dual USB Inputs and Four HDMI Inputs

- Enables viewing of high-resolution video, music and digital photos

120 Hz Fine Motion Enhanced

- Virtually eliminates blur and motion artifacts in fast-moving video

Product Dimensions

- Dimensions with stand: 73 5/16" (W) x 45 3/32" (H) x 17 3/32" (D)
- Dimensions without stand: 73 5/16" (W) x 43 25/32" (H) x 3 29/32" (D)
