+ **hp**

> Print office documents and marketing material in brilliant color with crisp detail on a range of papers, and watch productivity soar with print, copy, scan, and fax[1] functions integrated into one reliable device.

Brilliant color out of the box

- **Get more done.** Print color and black-and-white documents at speeds up to 31 pages per minute (ppm) with the HP Color LaserJet 4700 series printer and up to 30 ppm with the HP Color LaserJet 4730mfp series. The HP Color LaserJet 4730mfp series offers high-performance faxing, copying, and effective scanning to e-mail. The color laser MFP supports multiple workflows and improves the productivity of demanding workgroups.[1]

- **Achieve dazzling results.** Building on the previous toner generation's outstanding quality, new HP ColorSphere toner works with the product to improve the overall print quality and increase gloss. Get intense colors with subtle transitions for more realistic images.

- **Gain the attention you deserve.** HP gives you the edge with HP ImageREt 3600: a suite of technologies that includes new HP ColorSphere toner, image enhancements, intelligent calibration, and HP Smart printing technology.[2]

- **Count on HP print cartridges with HP ColorSphere toner.** HP cartridges ship installed and ready to print. New HP ColorSphere toner produces fast, brilliant results for black text and vivid images. With the cartridge, toner, and imaging drum in one supply, you refresh the imaging system when cartridges are replaced, ensuring consistent print quality.

Easy for IT and end users

- **Enjoy best-in-class HP Jetdirect embedded networking.** Transfer information quickly and reliably for increased efficiency. HP Web Jetadmin offers remote installation, configuration, and proactive management—including color control. The HP Embedded Web Server performs remote diagnostics, sends e-mail alerts, provides job tracking and accounting, and automates supplies ordering.

- **Let the device work for you.** HP Smart printing technology[2] works with the device and HP print cartridges to make automatic adjustments for reliable, consistent results every time you print. Simply and conveniently replace cartridges with HP SureSupply™ shopping and online ordering.[3]

Expandable functionality

- **Take a break from reloading paper.** The HP Color LaserJet 4700 series printer offers an amazing input capacity of up to 2,600 sheets, and the HP Color LaserJet 4730mfp series handles your busy workgroup with an input capacity of up to 1,600 sheets. Both products feature a 100-sheet multipurpose tray and 500-sheet input trays—use each tray for a different paper type to minimize interruptions.[1]

- **Effortlessly deliver finished output.** With scalable finishing features you'll save time and your documents will look great. Add the stapler/stacker with job offset to the HP Color LaserJet 4700 series printer to staple your documents or separate print jobs for easy retrieval. For the HP Color LaserJet 4730mfp series, choose the 500-sheet stapler/stacker to staple up to 30 pages or the 700-sheet 3-bin mailbox to assign print, copy, and fax output to different mailboxes, or assign users to each tray.[1]

- **Boost productivity with a multifunction product.[1]** The HP Color LaserJet 4730mfp series delivers the same great printer capabilities as the HP Color LaserJet 4700 series printer, plus offers your workgroup easy, high-quality two-sided scanning, copying, and fax via the automatic document feeder (ADF).

Preserves your budget

- **Realize the advantages of color without risking the expense.** HP Color Access Controls help you protect your investment while reaping the benefits of color. Enable or disable color by individual users or groups, or disable color printing entirely. The HP Color LaserJet 4730mfp series also offers color copy lockout and PIN-restricted access to color that disables unnecessary color usage.

- **Depend on HP durability.** Designed to handle the demands of your productive workgroup, the product features a long-lasting fuser and image transfer belt.

HP printing and imaging systems help you create powerful, professional communications easily. Imaging devices, supplies, accessories, and services are designed together to work together and are invented to meet your business needs.

ColorSphere HP TONERS

hp invent

HP Color LaserJet 4700 series printer

1 750-sheet stapler/stacker with job offset staples up to 30 sheets for instant reports or presentations

2 Automatic two-sided printing at full engine speed

3 100-sheet multipurpose tray handles heavy custom media up to 58 lb bond (220 g/m^2)

4 Five universal 500-sheet input trays support paper up to 32 lb bond (120 g/m^2)

5 Control panel simultaneously displays up to four lines of text and animated graphics

6 Front door allows convenient access to all four HP print cartridges and supplies

7 40 GB HP high-performance embedded hard disk

8 544 MB total memory quickly and easily handles complex print jobs

9 Hi-Speed USB 2.0 port

10 Host USB accessory port

11 Bidirectional IEEE-1284-C parallel port

12 HP Jetdirect Fast Ethernet embedded print server

13 Two open EIO slots

Front view

Series at a glance

HP Color LaserJet 4700n printer (Q7492A)

- 100-sheet multipurpose tray and 500-sheet input tray 2 for a 600-sheet capacity
- 500-sheet output bin
- 128 MB RAM
- One empty DIMM slot and two empty flash memory slots
- HP Jetdirect Fast Ethernet embedded print server
- Two open EIO slots

HP Color LaserJet 4700dn printer (Q7493A)

HP Color LaserJet 4700n plus:

- Additional 128 MB RAM for 256 MB total memory
- Automatic two-sided printing

HP Color LaserJet 4700dtn printer (Q7494A)

HP Color LaserJet 4700n plus:

- Two additional 500-sheet input trays for a1,600-sheet capacity
- Additional 128 MB RAM for 256 MB total memory
- Automatic two-sided printing
- Printer stand

HP Color LaserJet 4700ph+ printer (Q7495A)

HP Color LaserJet 4700n plus:

- Four additional 500-sheet input trays for a 2,600-sheet capacity
- 750-sheet stapler/stacker with job offset in place of the 500-sheet output bin
- 40 GB HP high-performance embedded hard disk
- Additional 384 MB RAM for 512 MB total memory
- Automatic two-sided printing
- Printer stand

HP Color LaserJet 4730mfp series

1. 100-sheet multipurpose tray handles heavy custom media up to 58 lb bond (220 g/m^2)

2. Side door allows convenient access to four, all-in-one HP print cartridges

3. 50-sheet ADF scanner processes two-sided documents at full speed

4. Easy-to-use touch-screen control panel with 10-key number pad provides effortless interaction with the MFP

5. 500-sheet stapler/stacker staples up to 30 sheets for instant reports or presentations

6. Automatic two-sided printing at full engine speed

7. Three universal 500-sheet input trays support paper up to 32 lb bond (120 g/m^2)

8. Foreign interface harness for third-party paper-handling solutions

9. Host and device Hi-Speed USB 2.0 ports

10. Bidirectional IEEE-1284-C parallel port

11. HP Jetdirect Fast Ethernet embedded print server

12. RJ-11 fax port

13. One open EIO slot to add even more functionality, including Apple networking

14. 40 GB HP high-performance embedded hard disk

15. 320 MB total memory quickly and easily handles complex print jobs

Series at a glance

HP Color LaserJet 4730mfp (Q7517A)

- 100-sheet multipurpose tray and three 500-sheet input trays for 1,600-sheet capacity
- 500-sheet output bin
- 256 MB RAM
- One empty DIMM slot and two empty flash memory slots
- HP Jetdirect Fast Ethernet embedded print server

HP Color LaserJet 4730x mfp (Q7518A)

HP Color LaserJet 4730mfp plus:
- HP LaserJet MFP Analog Fax Accessory 300

HP Color LaserJet 4730xs mfp (Q7519A)

HP Color LaserJet 4730mfp plus:
- 500-sheet stapler/stacker in place of the 500-sheet output bin
- HP LaserJet MFP Analog Fax Accessory 300

HP Color LaserJet 4730xm mfp (Q7520A)

HP Color LaserJet 4730mfp plus:
- 700-sheet 3-bin mailbox in place of the 500-sheet output bin
- HP LaserJet MFP Analog Fax Accessory 300

Get the best-in-class color laser solution that meets your workgroup's demanding performance and print quality needs.

Vivid color and powerful performance

If you want brilliant print quality that exceeds your expectations every time you print, but you don't want to make a lot of adjustments or sacrifice fast printing speed and flexible features, then the HP Color LaserJet 4700 series printer and HP Color LaserJet 4730mfp series offer just what you've been looking for. For vibrant color documents and expandable paper-handling capabilities, choose the HP Color LaserJet 4700 series printer, with an input capacity of up to 2,600 sheets as well as finished output with the optional 750-sheet stapler/stacker with job offset.[4]

The HP Color LaserJet 4730mfp series expands on the performance and output quality of the HP Color LaserJet 4700 series printer by offering the ability to copy, scan, fax, and digitally send documents to e-mail or network folder (you cannot upgrade the printer to include these features). The MFP also offers a standard input capacity of up to 1,600 sheets and a choice of paper-handling output solutions with the 700-sheet 3-bin mailbox or the 500-sheet stapler/stacker.[4]

In-house color marketing

Print short-run color documents in-house, quickly and affordably. When you print materials in-house, you have control over the process: *you* ensure that printing is effective, efficient, and affordable, and that any private company information stays safe. Printing frequently updated materials on-demand, such as promotional material or brochures, means that you can make changes at a moments notice and never waste printed material due to obsolete information. You also save the time and cost of inventory management.

Companies ranging from small to large report that HP's affordable, best-in-class color solutions deliver money to their bottom line. Some ways, such as improving your image and adding impact to marketing publications, are indirect, while others are direct and measurable, such as productivity gains and tangible cost savings with in-house color printing.

New HP ColorSphere toner

With HP ColorSphere toner and the HP Color LaserJet 4700 series printer and the HP Color LaserJet 4730mfp series printer, your prints will shine with uniform gloss and a dynamic range of color. The new toner features gloss levels that are significantly improved over previous HP color toners when printing on glossy paper. Improved melting and fusing technologies work in sync with the toner to enable superior toner release and flow. The result is brilliant, intense colors and excellent photo quality output for your business documents.

HP's new color toner enables a finer range of colors because each toner particle conforms to an extremely consistent size and shape. This consistency allows particles to be placed on the page with the precision needed to produce a wide range of colors with the most subtle differences in shading.

HP ColorSphere toner is also designed to enable faster printing time. The toner particles are chemically grown around an optimally sized wax core, producing particle sizes that are designed to work with HP's fusing technology for faster printing without sacrificing quality.

Intelligent printing

Designed with office workgroups in mind, the product is simple to install, use, and maintain.

- Integrate documents into workflows with the HP Color LaserJet 4730mfp series. Building on the MFP's embedded scanning functionality, optional HP Digital Sending Software 4.0 facilitates document workflow and enhances business communications by enabling Optical Character Recognition (OCR), and sending to shared network folders and fax services, including LAN fax, Internet fax, and Windows fax services.

- The HP Color LaserJet 4730mfp series touch-screen control panel has an integrated design to monitor and operate the device. Employed across several HP MFPs, this intuitive control panel provides users of HP MFPs with a familiar walk-up experience. The HP Color LaserJet 4700 series printer control panel offers complete, timely information about the printer and print jobs. Designed for quick and easy troubleshooting, the control panel displays up to four lines of text and animated graphics simultaneously.

- An always-on, internal clock improves product availability for both the HP Color LaserJet 4730mfp series and HP Color LaserJet 4700 series printer. Once you enter the date and time in the control panel, the product can be configured to automatically wake up from sleep mode so that it is ready to work when you are.

HP color management tools

The HP Color Access Control solution makes color printing and copying more affordable than ever by helping you control who uses color and when they use it:

- **Control color copying.** Color copy lockout allows IT administrators to password-protect the HP Color LaserJet 4730mfp series as a black-and-white-only copier, so you can control when and how color is used in your workgroup.

- **Assign color access to specific users or workgroups.** Use either your printer's embedded Web server or HP Web Jetadmin's fleet configuration capability to designate who has access to color printing. That way, people who truly need color—such as your sales team and marketing department—can use it.

- **Assign color access by application.** Designate certain applications for printing color and others for printing black-and-white to ensure that users only print color on their most important print jobs and that other printouts—such as Web pages—are always black-and-white.

- **Shut down color completely or temporarily disable color capability.** Disable color printing on shared printers—locking out all individuals and workgroups—so you can save your color resources for special projects or seasonal needs. HP Web Jetadmin's Print Driver Pre-configuration Plug-in lets IT Administrators set users' print settings to control color printing by print queue.

- **Track color use by job, by user, and by device.** HP Web Jetadmin's Report Generation Plug-in generates real-time and periodic usage reports that make it easy to track color use by job, by user, and by device. Plus, it allows you to easily allocate costs to individual departments.
