

Motorola BPR-40 Handheld Two-Way Radio

Group communication: Operates over 8 or 16 channels.

Programmable buttons: Allow versatile customization of radio.

Die-cast chassis: Small, lightweight, yet sturdy frame is built to withstand everyday wear and tear.

Flexible power: Offers high-power or low-power option, to save battery charge.

Nuisance channel delete: Temporarily removes undesired channel from a scan.

Repeater talk around: Bypasses repeater and dispatcher for unit-to-unit communication.

Priority channel: Scans for higher-priority channel.

Tight/normal squelch: Filters out unwanted interference and enhances audio clarity.
