

## Catchbox Engage Your Audience

If you are looking for a new, fun and innovative way to encourage audience participation Catchbox is the solution! No more standard aisle microphones or assigning staff to be microphone runners – let the audience stay engaged and have their voice heard with this great technology!

Catchbox is a new take on wireless microphone technology. It is built with a soft exterior and equip with auto mute capabilities allowing Catchbox to be safely passed around without getting damaged or causing unwanted noises.

Great for audience sizes 1-2000

Designed for flawless performance, the Catchbox comes with an integrated omni directional microphone element that has been optimized for audiences. The design is tailored to pick up on speech while avoiding interference and handling noises.
